

Centrifugal fan
Roof fan
Axial fan

Fans

Centrifugal fan

Roof fan

Axial fan

Technical data

Volume flow : m³/h
 External pressure increase: Pa
 Medium temperature : °C
 Medium :

Installation

Placement : interior exterior

Motor and frequency converter

Speed control : without EC-Motor (HF R 125 - 250) Frequency converter

Explosion protection ATEX

Inner demand : no 2 1 (not for axial fans)
 Outer demand : no 2 1 (not for axial fans)
 Temperature class : T3 T4
 Explosion group : IIB IIC
